## NEIGHBORHOOD PARTNERSHIP PROGRAM

### OVERVIEW

The Neighborhood Partnership Program is a neighborhood-based program designed to encourage new, creative neighborhood efforts. The Neighborhood Partnership Program provides matching grants to neighborhood organizations for small, innovative neighborhood-based projects.

The program was created to strengthen and provide resources to neighborhood-based groups wanting to improve their neighborhoods. Additionally, it was developed to stimulate partnerships between the City of Akron, Akron Community Foundation, neighborhood residents and business associations for new creative neighborhood efforts such as safety programs, education initiatives, cleanup projects, and vacant lot improvements.

Neighborhood groups and organizations will compete for grants and must match funds awarded by the City of Akron and Akron Community Foundation with contributions of volunteer time, cash or in-kind donations of goods and services.
